

## Vision, Mission and Programme Educational Objectives

### **Vision**

What would an institution / department like to achieve or accomplish in the mid-term or long-term future.

- Business (Primary Function)
  - Primary functions or activities of the programme - most important functions, operations, outcomes, and /or offerings of the programme.
- Purpose (Primary Response)
  - Primary reason why you perform your major activities or operations
- Value (Stakeholders)
  - Groups or individuals that participate in the programme and those that will benefit from the programme.

*[what do we do].....[why do we do] ..... [whom do we do it for]*

*“The vision of (name of your programme or unit) is to (your primary purpose) by providing (your primary functions or activities) to (your stakeholders).” (Additional clarifying statements)*

### **Check List**

| Sl.No | Criteria                                                                | YES | NO |
|-------|-------------------------------------------------------------------------|-----|----|
| 1     | Is the statement clear and concise?                                     |     |    |
| 2     | Is it distinctive and memorable?                                        |     |    |
| 3     | Does it clearly state the purpose of the program?                       |     |    |
| 4     | Does it indicate the primary function or activities of the program?     |     |    |
| 5     | Does it indicate who the stakeholders are?                              |     |    |
| 6     | Does it support the mission of the department, college, and university? |     |    |
| 7     | Does it reflect the program’s priorities and values?                    |     |    |

## Mission Statement

A well-developed mission statement is a great tool for understanding, developing, and communicating fundamental institution objectives, and should be expressed in just a paragraph or two.

What do we do?  
Why do we do?  
Whom do we do it for?  
  
How do we do it?

## Characteristics of Mission Statement

- Make it as succinct as possible
- Make it memorable
- Make it unique to you
- Make it realistic
- Make sure it's current
- **Check List**
- 

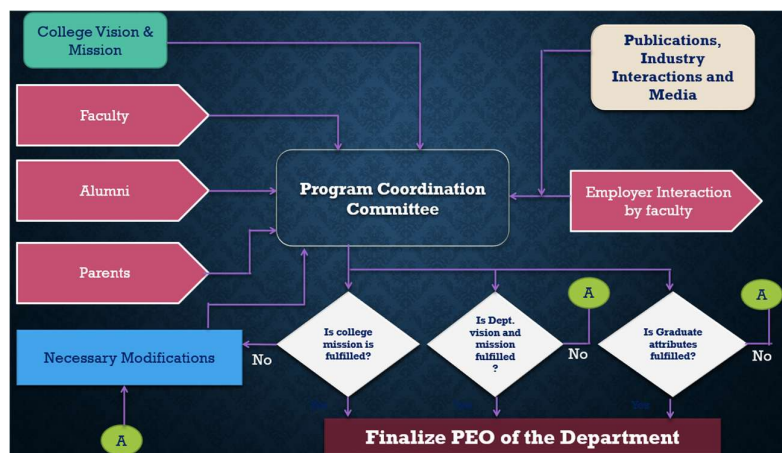

| Sl.No | Criteria                                                                               | YES | NO |
|-------|----------------------------------------------------------------------------------------|-----|----|
| 1     | Are they complement the implementation of vision statement?                            |     |    |
| 2     | Are the statements too vague, or are they specific enough?                             |     |    |
| 3     | Are they too long or too short?                                                        |     |    |
| 4     | Do the statements express an idea or a hope for the future?                            |     |    |
| 5     | Are they too unambitious?                                                              |     |    |
| 6     | Do they contain adjectives or goals that are more appropriate for a mission statement? |     |    |
| 7     | Do they clarify a direction for the department and for its improvement efforts?        |     |    |

## Programme Educational Objectives

- The educational objectives of an engineering degree program are
  - The statements that describe the expected achievements of graduates in their career,
  - In particular, what the graduates are expected to perform and achieve during the first few years after graduation.
- Broad Statements that ***describe the career and professional accomplishments*** that the programme is preparing ***graduates to achieve***.
- PEOs should be ***assessable and realistic*** within the context of committed resources.

### Factors

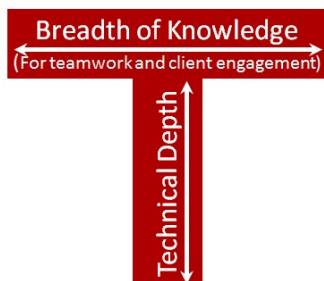

- Consistent with the mission of the institution.
- Stakeholders should participate in the process of framing the PEOs and based on the needs of the stakeholders.
- The number of PEOs should be manageable.
- It should be achievable by the programme.
- Specific to the programme and not too broad and not be too narrow.

### Preparation

- Core Competency
- Breadth
- Professionalism – 3 Ps
  - Communication
  - Personality – Don't go to extremes
  - Presentation – Common Sense

- Life long Learning - Learning Environment

### Consistency between PEO & Mission

| Sl.no   | PEO Statements | Mission 1 | Mission 2 | ... | Mission n |
|---------|----------------|-----------|-----------|-----|-----------|
| PEO - 1 |                | 3         | 3         | ..  | 1         |
| PEO - 2 |                | 2         | 3         | ..  | -         |
| ...     |                | ..        | ..        | ..  | ..        |
| PEO - N |                | 3         | 3         | ..  | 3         |

### PEO Attainment Table

| PEO     | Assessment Tool          | Assessment Criteria                                          | Data Collection        | Faculty Responsible          | Attainment Level         |
|---------|--------------------------|--------------------------------------------------------------|------------------------|------------------------------|--------------------------|
| PEO – 1 | Employer Survey          | Graduate's capacity to analyze and solve engineering Problem | Data collection period | Programme Advisory Committee | Percentage of attainment |
| PEO – 2 | Alumni Survey            | Capacity to take in hand any Challenges                      | ...                    | ...                          | ...                      |
| PEO – 3 | Other Stakeholder Survey | ...                                                          | ...                    | ...                          | ..                       |
| PEO – N | Other Stakeholder Survey | ...                                                          | ...                    | ...                          | ...                      |
